CADKEY

URGENT MESSAGE

TO: All Dealers
FROM: Charley Femucci
DATE: February 26, 1993
SUBJECT: **Today's Business Activity**

Today has become the busiest day in Cadkey's history. As you can imagine, our entire staff is feeling the impact.

Please refrain from calling Customer Service or Sales to verify orders today. We will honor all purchase orders dated no later than February 28, 1993 and received at Cadkey no later than March 2, 1993. For the next few days **only**, you may also use the Marketing fax number which is 203-298-6484. Please do not use this fax number after March 2 because Sales does not check this fax on a regular basis.

Thank you all for your tremendous effort.

Charley F
